

**THE BATTLE  
OF CHERITON**

## **The Battle of Cheriton Life and War in 1644**

**An opportunity to visit a Living History site to experience life and fighting in the Battle of Cheriton. Organised by the Battle of Cheriton and the Sealed Knot you will be able to appreciate life and war 300 years ago. We aim to give an authentic re-enactment experience - from pike drills and a mini-skirmish to a realistic view of life from childrens' and adults' perspectives with humourous and educational stories to illustrate life as it was at the time of the battle. In the past we have had armourers, apothecaries, priests, school teachers as well as sword drills. We organise schools visits and next year they will be held between 16 and 20 June.**

**THE BATTLE  
OF CHERITON**

**We are hoping that as many schools as possible will be able to join us in this project which is a vital link to our history. We work with the Sealed Knot and Living History to give as an authentic experience as possible.**

**The price per child is £6.00 - an area for children to eat a packed lunch is available.**

**Please contact Denise Fraser - Urquhart (details overleaf) to arrange your visit.**
